Bishop Wordsworth's School is seeking an outstanding teacher and enthusiastic subject leader to become our Head of Economics and Business Studies. This is an exciting opportunity to lead two popular and successful subjects within a high-achieving grammar school with students who are academically ambitious, curious and keen to engage.

We are looking for a talented teacher with strong subject knowledge in Economics and Business who can provide clear academic and strategic leadership across the department. You may already be an experienced Head of Department, or you may be an ambitious teacher ready to take the next step into subject leadership.

Our approach extends well beyond examination specifications. Students are encouraged to read widely, debate contemporary issues, interpret evidence and data, and apply their learning to real-world contexts.

At Bishop's, academic ambition sits alongside a rich wider school experience. We are therefore looking for someone who will not only inspire students in the classroom, but who will also bring enthusiasm, ideas and energy to the wider life of the school.

We are looking for someone who:

- is an excellent classroom practitioner with a genuine enthusiasm for Economics and/or Business;
- has strong subject knowledge and high academic expectations;
- can inspire, challenge and engage highly able and curious students;
- can provide clear direction and support colleagues to develop their practice;
- will contribute positively to the wider academic and extracurricular life of Bishop's.

We offer:

- A welcoming, supportive team
- Teachers Pension Scheme
- Cycle to Work scheme
- Access to on-site gym and sports facilities
